Objective

Aspiring software developer and computer science student with a strong foundation in programming languages and web technologies with three years of academic experience. Proficient in both front-end (HTML, CSS, JavaScript, React, TypeScript) and back-end (Node.js) technologies, as well as strong programming foundations in C++ and Java. Seeking an internship or entry-level role to apply my full-stack development skills and contribute to projects.

Education

Bachelor of Science in Computer Science

University of Gondar, Gondar Ethiopia

Expected Graduation: June, 2026

- **Relevant Coursework:** Data Structures & Algorithms, Software Engineering, Web Development, Database Systems, and Operating Systems.
-

Technical Skills

- **Programming Languages:** C++, Java, JavaScript, TypeScript
 - **Web Technologies:** HTML, CSS, JavaScript, TypeScript, React,
 - **Backend Development:** Node.js (with experience in Express.js)
 - **Version Control:** Git, GitHub
